ABOUT ME

User-centric UX/UI Designer transitioning into Front-End Development at Noroff. I bridge the gap between creative strategy and technical execution, transforming complex problems into intuitive, high-performance digital experiences. With 10 years of experience in high-end retail and logistics, I bring strong adaptability, problem-solving skills, and a professional approach to every project.

Major Project

Digital Nomad | UX/UI Design & Strategy

Goal: Boosting visibility and income stability for freelancers.

- Designed a high-fidelity Learning Hub and Portfolio system with integrated booking.
- Iterated designs based on usability testing to ensure a seamless booking flow.

kalpha Accessibility-First Design

Goal: Creating an inclusive and WCAG-compliant contact experience.

- Identified critical accessibility gaps (low contrast, missing alt-text, keyboard navigation).
- Redesigned the interface with visual error feedback and optimized information hierarchy.
- Ensured full keyboard accessibility and screen-reader compatibility.

Airbnb Optimization | UX Audit & Redesign

Goal: Simplifying the booking process and filtering system.

- Conducted navigation tests to pinpoint user frustrations regarding budget filters.
- Redesigned the budget tool for a more minimalist and intuitive interaction.
- Simplified the search-to-results user journey.

WORK EXPERIENCE

SCOTCH & SODA
Copenhagen Denmark
September 2018 - April 2023

Sales Assistant
Engaged customers through suggestive selling, passionate and sharing product knowledge to drive and increase sales assists with inventory management, delivery ordering of supplies and re-stocking of supplies. Continuously improved customer service, brand awareness and company's reputation on by providing sales presentations.

POPOLINO Malmö, Skåne County, Sweden June 2023 - September 2023

Sales Assistant
I worked at Popolino, an independent retro-style shop in Malmö, featuring various brands. My role involved diverse responsibilities across all areas of the shop, from customer service to managing stock and creating a unique retail experience.
